

FUNDED PARTNERSHIP OPPORTUNITY

Eligibility Requirements

- Registered 501(c)(3) Nonprofit
- Submit NC Substitute W9
- Submit NC BCCCP Partnership Application
- Include breast or cervical cancer screenings
- Meet all other requirements on application

The NC Breast and Cervical Cancer Control Program Partnership Initiative partnership(s) are designed to increase the number of patients screened for breast and/or cervical cancers, foster partner collaborations, networking, resource sharing, and facilitate outreach, education and referrals that encourage community-clinical linkages.

For more information or to request a Partnership Application, contact:

Erin Brown, NC BCCCP Program Coordinator
Erin.Brown@dhhs.nc.gov

NC Cancer Prevention and Control Branch
ATTN: Erin Brown, BCCCP Program Coordinator
1922 Mail Service Center
Raleigh, NC 27699-1922

The supported partnerships are limited funding opportunities to help supplement organizations' outreach and screening efforts.
